SUMMIT by FOREST RIVER

When you own a Summit Park Model, you've achieved a new level of destination camping. Special amenities pamper you in charming style for a truly enjoyable vacation retreat. Every square inch is engineered to enrich your leisure time with home like comforts and time saving conveniences. A large variety of floor plans, including loft units, offer you the versatility to meet your family's needs and desires.

In the quest for beauty and style, practical necessities have not been ignored. The fully equipped kitchen is furnished with full size appliances, laminated countertops, elegant lighting, and plenty of cabinet and drawer space for storage. In every room, you'll find everything you need for comfortable vacation living.

THE GREAT ESCAPE

Ready to get away from it all? We have the perfect place. The Summit. Our living rooms are large and inviting with tons of natural light. Furnished with high quality amenities like a swivel rocker and a pull out sleeper sofa it's not just beautiful it's comfortable. The bedrooms of the Summit are spacious and boast a large mirrored wardrobe with drawers and a built in dresser and vanity.

FEATURE BENEFITS AND CONSTRUCTION

Comfort, just the way you like it, to fit your style.

With 8 different interior fabric options to choose from, along with 4 countertop colors, 2 linoleum options, 3 wood grains and a host of other decisions to make, you will enjoy decorating your unit to fit your personality.

We encourage you to eat, drink and be merry!

Whether you are enjoying your favorite meal or playing an exciting game we have the perfect place. Our solid hardwood kitchen table features a drop leaf and four chairs. The chairs also offer lumbar support for additional comfort.

Residential kitchen features that would make any chef jealous.

The kitchen of the Summit series comes fully equipped with a 17 cu. ft. 2 door refrigerator, 30" or 24" range and a Spacemaster microwave (where available). The open kitchen concept is great for entertaining.

Quality and convenience, that is our promise to you.

Our custom cabinetry uses hidden hinges and will provide you with plenty of storage. All our drawers use metal ball bearing drawer guides that will provide you with years of trouble free service.

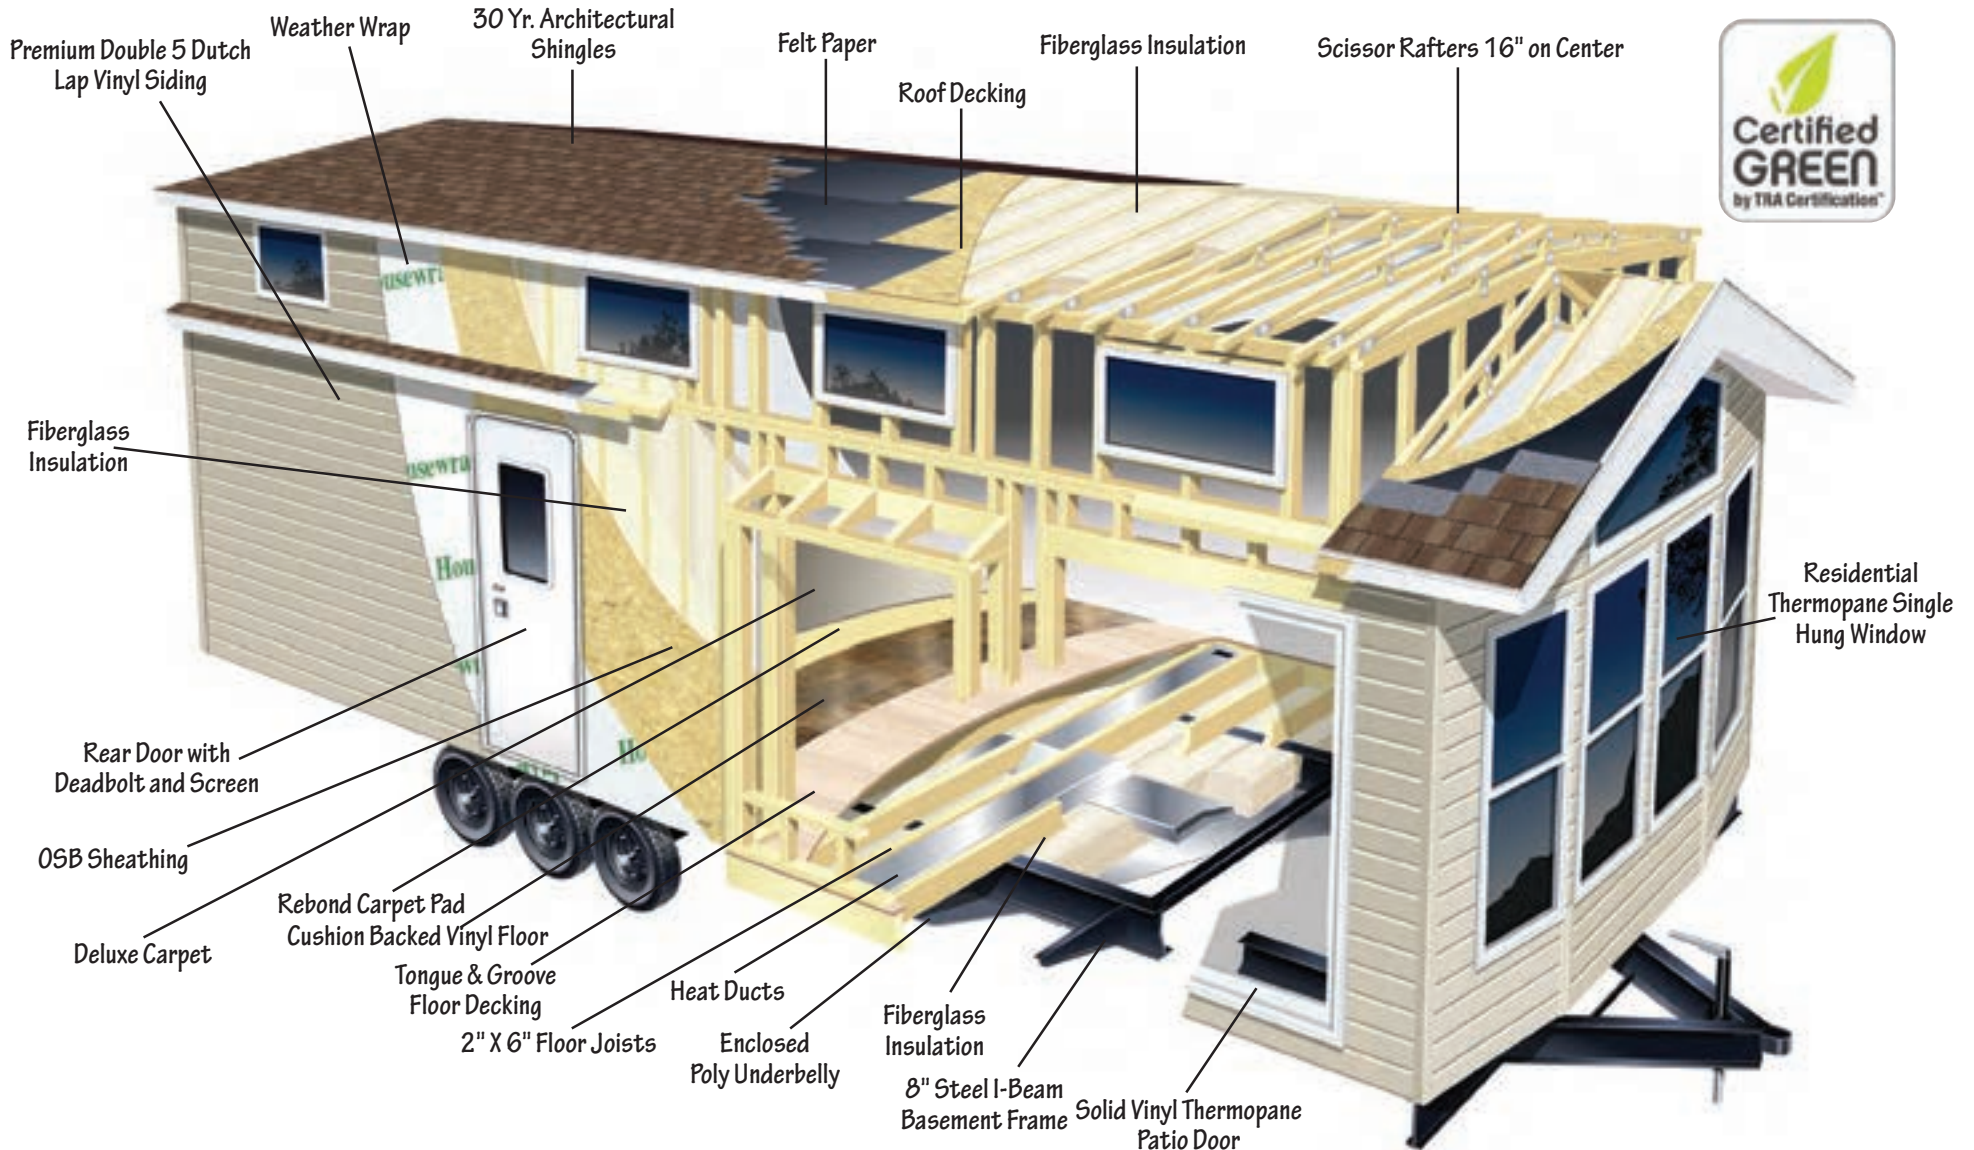

It's the small things that count.

At Summit attention to detail is a point of pride. Small touches like an optional hidden waste receptacle on a pull out tray is just one of the ways we strive to make life a little easier.

FOREST RIVER PARK MODELS-BUILT FOR THE TIME OF YOUR LIFE

Quality is built into every park model at Forest River. Forest River's years of park model experience have taught us how to develop a product that is both well built and price competitive. Forest River incorporates production techniques and construction features into each and every quality built park model. You are making an investment, Forest River wants your investment to hold its value, and allow you a worry free leisurely lifestyle. Purchasing from a financially strong company is something you should feel good about. We are a part of Berkshire Hathaway and we are in this for the long haul.
